

Current Projects Awarded Worksite Wellness Funding

2008 Awardees

Name of Awardee:

Jawonio, Inc.

Project Title:

Employee Exercise Project

Project Description:

To create an employee fitness room which employees can use at various times throughout the workday. The fitness room contains an elliptical, two bikes, a treadmill, stability balls, and resistance bands.

Total Cost of Project:

\$5,367.00

Amount Awarded:

\$3,786.85

Name of Awardee:

Garnerville Holding Company/Garnerville Arts

Project Title:

Creekside Walking Trail

Project Description:

To create a permanent walking trail in a wooded setting along the Minisceongo Creek within the heart of the Garnerville Arts & Industrial Center. The trail will also contain various sculptural installations and native plants to provide interest for the walkers.

Total Cost of Project:

\$21,800

Amount Awarded:

\$5,000

Name of Awardee:

All Bright Electric

Project Title:

Steps to a Healthier Worksite

Project Description:

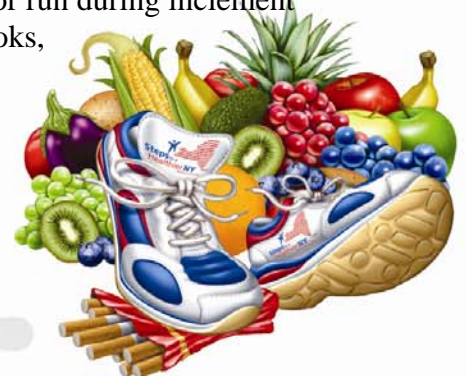

To create a workout station for employees to use at various times throughout the workday. The station will contain a treadmill, so that employees may walk and/or run during inclement weather. In addition, a lending library will be created that contains books, CD's and DVD's about health, nutrition, and exercise.

Total Cost of Project:

\$2,100

Amount Awarded:

\$1,900

Name of Awardee:

Rockland County Department of Social Services (DSS)

Project Title:

Healthy Worksite Walking Trail

Project Description:

To create a walking path throughout the Robert. L Yeager Health Complex that features permanent, sustainable, durable and easy to read fitness stations. Each stop will contain a suggested exercise or stretch with diagrams and instructions. The walking path is over one mile in length.

Total Cost of Project:

\$5,500

Amount Awarded:

\$5,000
